State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Suntron Corporation (the Registrant) requires additional time to finalize and review its Quarterly Report on Form 10-Q for its quarterly period ended July 3, 2005 (the Report). The Registrant is unable to complete and file its Report within the prescribed time period without unreasonable effort or expense. The Report could not be filed within the prescribed time period because the Registrant and the senior lenders under its secured credit facility are in the process of finalizing the terms of an amendment to the credit facility that would increase the Registrant's borrowing availability. The amendment to the credit facility will require modification to the disclosure in the Report. Accordingly, the Registrant needs additional time to complete the disclosures in the Report.

The Registrant expects to file the Report within the next few days and in no event later than the fifth calendar day following the date on which the Report was due.
