**MARINEMAX, INC.  
FORM 8-K  
CURRENT REPORT**

**Item 1.01. Entry into a Material Definitive Agreement.**

Our Compensation Committee recommended on October 30, 2006 and our Board of Directors approved on October 31, 2006 the grant of an aggregate of 147,600 restricted stock unit awards to certain of our officers pursuant to our 1998 Incentive Stock Plan and adopted a form of restricted stock unit award agreement. In connection with the grants, we entered into restricted stock unit award agreement with each of the following officers for the number of restricted stock units indicated:

<b>Name</b>	<b>Number of Restricted Stock Units</b>
William H. McGill, Jr.	63,000
Michael H. McLamb	27,000
Edward A. Russell	18,000
Jack P. Ezzell	9,000
Kurt M. Frahn	9,000
Michael J. Aiello	10,800
Anthony M. Aisquith	10,800

Pursuant to the agreements, each officer becomes vested in the restricted stock units as to one-third of the restricted stock units on each of the third, fourth and fifth anniversaries of the date of grant. The stock underlying vested restricted stock units will be delivered within five months after the deferred shares vest; provided that the delivery may be delayed to the extent that we reasonably anticipate that the deferred shares will not be deductible under Section 162(m) of the Internal Revenue Code of 1986, as amended. Each officer forfeits the unvested portion, if any, of his or her restricted stock units if the officer's service to our company is terminated for any reason, except as may be provided in the officer's employment agreement or as otherwise determined by the administrator of our 2007 Incentive Stock Plan. Upon a change in control of our company, the vesting of any unvested restricted stock units may be accelerated pursuant to the terms of the executive's employment agreement, if any. The form of restricted stock unit award agreement for our 1998 Incentive Stock Plan is attached hereto as Exhibit 10.56.

Also, our Compensation Committee recommended on October 30, 2006 and our Board of Directors approved on October 31, 2006 an Incentive Compensation Program covering our executive officers for our fiscal year ending September 30, 2007. The program for fiscal 2007 sets forth individual performance objectives for each officer depending on their role with the Company. The performance goals under the program for fiscal 2007 focus on various matters, including pre-tax earnings growth, achievement of budgeted results, industry rankings of the Company's various dealerships, the development and execution of defined operating practices and operating margins. Our board of directors also may grant discretionary bonuses if and when the facts and circumstances so dictate.
