AMERICAN BILTRITE REPORTS FIRST QUARTER RESULTS,  
DECLARES DIVIDEND

WELLESLEY HILLS, MA - American Biltrite Inc. (AMEX - ABL) reported that sales for the three months ended March 31, 2003 were \$104.0 million, up 1.2% from sales of \$102.7 million in the first quarter of 2002. The net loss for the three months ended March 31, 2003 was \$3.1 million, or \$.91 per share, compared with a net loss of \$0.8 million, or \$.22 per share (before a required accounting change) in the first quarter of 2002. The Company recorded a non-cash transition charge of \$7.7 million or \$2.25 per share in the first quarter of 2002 for impairment of goodwill as required for adoption of Statement of Financial Accounting Standards No. 142.

Roger S. Marcus, Chairman of the Board and Chief Executive Officer, indicated that overall results for American Biltrite Inc.'s operations excluding Congoleum improved over year earlier levels on continued strong performance in the jewelry business, which more than offset declines in results at the Tape, Canadian, and Janus operations. Congoleum's results declined due to weakness in the manufactured housing and remodel markets.

The Company announced that its Directors today voted a cash dividend of \$ .0625 per share on Common Stock, payable July 9, 2003 to stockholders of record June 13, 2003.
