Item 1.01. Entry Into a Material Definitive Agreement.

Terex Corporation (“Terex” or the “Company”), Terex Industrial Holding AG (“Terex Industrial”) and Demag Cranes AG (“Demag Cranes”) entered into a Business Combination Agreement dated June 16, 2011 (the “Agreement”). The Agreement sets out the principal terms and the mutual understandings of the parties with respect to Terex's offer to purchase all of the shares of Demag Cranes. Pursuant to the Agreement, the Demag Cranes Management Board is obligated to recommend the Demag Cranes shareholders accept Terex's offer to purchase all of the shares of Demag Cranes at a price of €45.50 per share.

The Agreement also addresses issues regarding the relationship between Terex and Demag Cranes following the acquisition of Demag Cranes by Terex, which includes a confirmation of Terex's support for the strategy of Demag Cranes and its workforce as a part of the Terex group. For a period of three years, Terex agreed that it would not undertake to cause Demag Cranes to reduce its current workforce in Germany as a direct result of the transaction. Terex also agreed that it would not undertake to cause the change of the location of the German sites of Demag Cranes for a period of five years.

There are no material relationships among the Company and Demag Cranes or any of their respective affiliates, other than with respect to the Agreement.

The foregoing summary is qualified in its entirety by reference to the Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.
